

My name is Chuck Duncan and I am the endorsed Democratic candidate for Derry Township Supervisor. I have over 14 years of public service, having served and, currently, serving in numerous local, state, and military positions to protect everyday Pennsylvanians.

In 2017 I was elected by my neighbors to serve as a Derry Township Auditor. In January of 2019, I was reappointed to the Derry Township Municipal Authority, where I have been a member since 2016, after deploying to the Middle East in support of Operation Inherent Resolve as the Command Judge Advocate of Army Forces-Jordan.

I am running for Supervisor, because I am concerned about the recent property tax increase and the looming 2020 property tax increase. These tax increases adversely affect our neighbors that are senior citizens on a fixed income and working-class families. Some of us can financially absorb these tax increases, but there are many of our neighbors that cannot afford additional taxes. There is a better way.

I am proposing a sensible amusement and parking tax increase. The revenue generated would create a fund to provide property tax relief to senior citizens and working-class families. It is my vision that a rebate will offset the recent property tax and next year's property tax increase. This will be done with the intention of making Hershey livable. It is my hope that my 3-year-old daughter will want to return to Hershey after college, and will not be priced out of living where she grew up.

I will fight for all our neighbors, especially, those on a fixed income or living paycheck to paycheck. As a Supervisor I will fight for budgets that are fiscally sound and responsible.
